

Signs Your Practice Could Benefit from Outsourcing Billing

**Is in-house billing holding your practice back?
Use this checklist to find out.**

- ☐ High claim denial rates or delayed reimbursements
- ☐ Staff are spending too much time on billing instead of patients
- ☐ Rising costs for billing software, training, or staffing
- ☐ Difficulty keeping up with payer rule changes and coding updates
- ☐ Lack of visibility into revenue cycle performance
- ☐ Frequent turnover in billing staff or reliance on just one biller
- ☐ Cash flow problems from inconsistent collections
- ☐ Concern about compliance risks and audits
- ☐ Practice growth outpacing your billing capacity

If you checked even 3 boxes, it may be time to explore outsourcing.

Sightview's RCM team can help you reduce denials, accelerate payments, and free your staff to focus on patient care.
